

Dear Kestrels,

Here is your timetable of lessons for the next two weeks. It doesn't matter which lesson you start with, but you need to complete the three lessons each day.

You can copy the weblink for each subject into your browser bar and then click on each lesson.

The screenshot shows a web browser window with the URL classroom.thenational.academy/units/healthy-food-persuasive-writing-2b8f. The page has a navigation bar with buttons for 'Teacher Hub', 'Specialist', 'Subjects', and 'Schedule'. Below the navigation bar, the page title is 'Key Stage 2, English, Units, Healthy Food - Persuasive writing, Lessons:'. There are two lesson cards displayed:

- Lesson 1**: To understand the features of adverts. 18m video.
- Lesson 2**: To investigate suffixes: More -er and -est suffixes. 18m video.

An arrow points from the text 'The lessons contain a video to teach you the information you need to learn and an activity to complete. The activities vary in type and length: there could be a quiz to complete or a written task.' to the Lesson 1 card.

The lessons contain a video to teach you the information you need to learn and an activity to complete. The activities vary in type and length: there could be a quiz to complete or a written task.

Make sure you have your equipment ready (such as a pen or pencil and your home learning exercise book) before you start each video.

Once you have completed the activities, if you can, please upload them to Seesaw for me to read and respond to.

I look forward to seeing your home learning.

Love Mrs Morton

Week 1
