

# “Light in the darkness”

Saturday 19th November 3.00-5.00pm

The Poppy Room (West Clandon RBL)

This month at Messy Church we'll be exploring the many ways that light shows us the way, offering protection and reassurance as we approach the darkest time of the year.

We are offering our usual mix of craft and creativity, song and celebration – all rounded off with a meal for the whole family. We do hope you can come, and maybe bring some friends too.
