Newlands Federation - Roots to grow, wings to fly.

Newsletter 9th June 2023

Dear Families

We've all had a great week back in school following the half term break. It has been good to see the sun. With the weather getting warmer all children need **sunhats** in school every day. Please also ensure children have **water bottles** in school each day. These can be refilled during the day, so children always have enough to drink. Remember to apply **suncream** before school. For Forest School everyone must wear long-sleeved tops and long trousers tucked into socks. This protects from nettles and insects.

There is plenty to look forward to in the last half term of the academic year so please do take a good look at the dates section at the end of the letter.

Clandon School Swim!

The sun certainly shone on Monday afternoon as Year Four pupils were the first school swimmers to have a lesson in Shere Pool. The Federation worked with the swimming pool committee during the recent refurbishment of the pool and we are so grateful for this collaboration. From experienced swimmers to those who had never stepped foot in a pool, every child had an amazing time with smiles all round. Our thanks to Shere Swimming Pool Committee

Collective Worship:

In this week's collective worship, we revisited an old favourite, the Parable of the Mustard Seed. Father Barnaby reminded us of the story and we talked with Mrs Marsden-Farmer about small acts of kindness.

On Thursday we thought about how God's Garden is an inclusive place where everyone is welcome. As we near the end of the academic year and children prepare for transition, we often notice an increase in friendship issues and children feeling left out. We thought about ways we could ensure this did not happen so that everyone could have a lovely last half term at Clandon.

Warmest wishes
