Christmas Fair 3.00pm

Last year we raised a little over £2704.

We provided some much-needed equipment & resources for the school, paid for coaches for trips and for tickets to enable the whole school to visit the Christmas Panto amongst other things...

To do this we ran events such as our annual Christmas Fair, Candy Floss & Doughnut Sales, A Willy Wonka Golden Ticket Event, Summer Disco Party. A pop up Salad Bar at Sports Day, Refreshments at the KS2 production and KS1 Nativity and also ran our own stall at the Kings Coronation Party at the rec in West Clandon.

Can you help?

We always need volunteers, all the money raised by the PTFA benefits all the children and we cannot do it without your support. Do you have a skill, hobby or work for a company that could help sponsor an event? Do you own your own business & would be able to provide some resources or support?

We are really looking forward to fundraising again this year, will you come along and help us?

Competition Time

This is our current PTFA logo but we would like to update it with the children's help. Over October half term we will be running a competition whereby children from any year can enter their own logo design.

This will then be fine-tuned with the help of one of the PTFA to become our new logo. Look out for more info closer to half term.

Tokens – What are these?

For new parents and those that may not have used tokens before. We use these as a way of payment at all our events from cake sales to the Christmas Fair.

Each token is worth 50p and they are sold in bags of £5.

You can request some at any time a pay for the bags by cash, card or Paypal.

clandonprimaryschoolptfa@gmail.com

Prepaying for them then relieves the hassle of remembering to bring cash for the bigger events such as fairs and is always handy when you don't have change to hand.

Look out for our next token sale or ask your class PTFA rep

Christmas Cards 2023

Children have all created an individual Christmas masterpiece for you...

We know it's early but for us to achieve maximum commission & raise more money for the school, we will be sending home a template of a Christmas card created by your child with a little help from the PTFA elves.

There will also be information on how you can order cards, wrapping paper, mugs etc.

You can order online and collect from school. All very easy, personalized & they make lovely gifts.
