

Dear Families

This week children in Year 1 have completed their Phonics Screening Checks and Year 4 have completed their Multiplication Tables Checks. Well done everyone.

On Wednesday evening we were delighted to welcome parents of our new Reception and Junior children who we look forward to joining us in September. There will be an opportunity for September Squirrels to get to know their new Year 3 friends before the end of this term as they come for transition visits. Mrs Marsden-Farmer and the Woodlands team are busy visiting nurseries and family homes to get to know the children who will be joining Reception. Reception visits to school will take place in September at the start of next school year.

Our September teaching team will be as follows:

<b>Woodlands</b> – Mrs Marsden-Farmer (Mon-Thu), Mrs Webb (Fri)
---

Mrs Paine is moving across to Shere to teach Hedgehogs
--

<b>Squirrels</b> – Mrs Gibson (Mon-Wed), Mrs Saunders (Thu-Fri)
---

Mrs Saunders returns from maternity leave in early July
---

<b>Kestrels</b> – Mrs Dawe (Mon-Wed), Mrs Barton (Thu-Fri)
--

Mrs Barton is moving across from Shere to Clandon
---

### PTFA Quiz:

The PTFA would like to say a BIG thank you to everyone who came along to our latest quiz night at the West Clandon British Legion last Saturday. There was lots of fun, laughter and some delicious fish (or sausage) and chips. You helped us raise £330!! The parents beat the teachers (both teams), better luck next year!! But even the losing team went home with a prize – a delicious, nutritious cauliflower!

School would also like to thank our yellow-clad quizmasters, Clare and Dani, for a great evening at the school quiz night. No flag questions and only one question on the periodic table but a very amusing PE round! And 'Ikea or cheese?! Well done to Cheese and Crackers on your win.

## Squirrels Archeological Dig:

On Wednesday, Squirrel Class visited Albury Park for a visit to the old church and its surrounding grounds. We learnt that the church was built 1000 years ago and up until Victorian times, it had a village of houses around it. Squirrels had lots of fun digging up and sieving through the remnants of what people have left behind over the centuries... broken pots, flint from walls and houses, tools. We even found pieces of sheep skeletons!

After that, we had a tour around the beautiful little church and we all got to pull the bell-rope to ring the old church bell! We had so much fun on this visit.

## 'Changing Me':

In PSHE this term, each year group is covering the 'Changing Me' section of the Relationships and Sex Education curriculum. This helps them to understand how they, and other animals, grow and change as they get older. Each year group has its own curriculum, so teaching is age appropriate. You can view the full curriculum and what is covered by each year group on the school website under Curriculum/Subjects/PHSE and RSE which can be accessed via this link: [Clandon C of E School - PSHE and RSE](#). Please speak with or email your child's class teacher if you have any queries.

## Summer Fair Reminders:

### School Summer Fair

Thank you for all your donations today for the Olympic inspired hampers for next Friday's summer fair. If you forgot your donation today, don't worry – the PTFA will be happy to receive it on Monday. The fair takes place after school next Friday, 21<sup>st</sup> June and we look forward to seeing you there.

### East Clandon Village Fete:

All are welcome at the East Clandon summer fete, the day after our school fair ...

## Guildford Family Centre New Looks Newsletter:

This is now in Sway and accessed via a link like our school SEND newsletter. As always there is a huge amount of information about the range of support available so please do take some time to look through it: [Families First Guildford Newsletter](#).

## Developing Communication Skills:

Would you rather visit every country on Earth or go into space?

Warmest wishes from
