## Autumn Term After School Club Activity Options

Children attending any of the after school clubs should bring a snack which they may eat in the hall from 3:20-3:30pm. Night Owls will be collected after this snack. Children attending short or long sessions will then be collected for specific activities from 3:30-4:15pm and return to the Nurture Room at 4:15pm. Children attending short sessions should be collected from the Nurture Room door at 4:20pm. Children booked to attend long sessions can be collected between 4:20-5:20pm from the Nurture Room door by ringing the doorbell. If there is no answer, please phone the Wraparound Care mobile number **(07856 134057)** to let staff know you have arrived for collection.

We reserve the right to withdraw specific club options if there are insufficient numbers of children, but you will be informed of this before your booking is confirmed and you may at that stage change your option. Please note the suggested year groups for each club – activities will be tailored to the year group listed. Activities and target year groups will change termly. A maximum number of places has been planned for each activity in order to ensure that all children are able to participate fully and safely.
