

Reminders for the week beginning Monday 9th June:	
Monday	KS2 Swimming for invited children
Tuesday	
Wednesday	Kestrels at Forest School Meeting for September 2025 New Parents
Thursday	
Friday	PTFA Mufti day—donations for the bottle tombola (drinkable contents please)

Dear Families

It has been great to get back to school and started on the final few weeks of the school year. This is always a really busy time so please do keep an eye on the dates list.

Thank you so much to the families and staff who came to help with the working party during half term. We were fortunate to have a fine, dry day and lots was achieved. We are very grateful to everyone who came and worked.

Paralympic Athlete Visit:

This week children have brought home sponsor forms for the forthcoming athlete visit by Paralympian, Kylie Grimes, on Thursday 19th June. Kylie is a triple Paralympian of the London, Rio and Tokyo games competing in athletics in Rio before returning to wheelchair rugby.

Kylie suffered a life-changing spinal injury in 2006, but within three years she cycled 450km from Vietnam to Cambodia to raise money for Regain, a charity helping newly injured tetraplegics get back into sport.

Kylie's dream of becoming a Paralympic Champion finally came true thirteen years after training as an elite athlete, she also became the first female in the history of the sport to win gold.

"Sport has saved my life. My experiences since 2006—and particularly my journey back to sport, teamwork, and a strong relationship with my body—have helped me to overcome many obstacles in my life, and sharing the lessons I've learned to help motivate and inspire others is a huge honour. It's so important for those with life-changing injuries to know that life goes on, and so can they. It's equally important for sportsmen and women of all levels of ability to be reminded of what's possible, and all that they are lucky to have: a team, a mission, a life to live to the fullest. You just have to go out there and get it."

Kylie was appointed Member of the Order of the British Empire (MBE) in the Queen's New Year Honours 2022 for services to Wheelchair Rugby.

Snacks for After School Club:

If your child attends after school club please make sure to provide a snack for them to eat. Several of the children feel quite hungry when school finishes.

KS2 Snacks

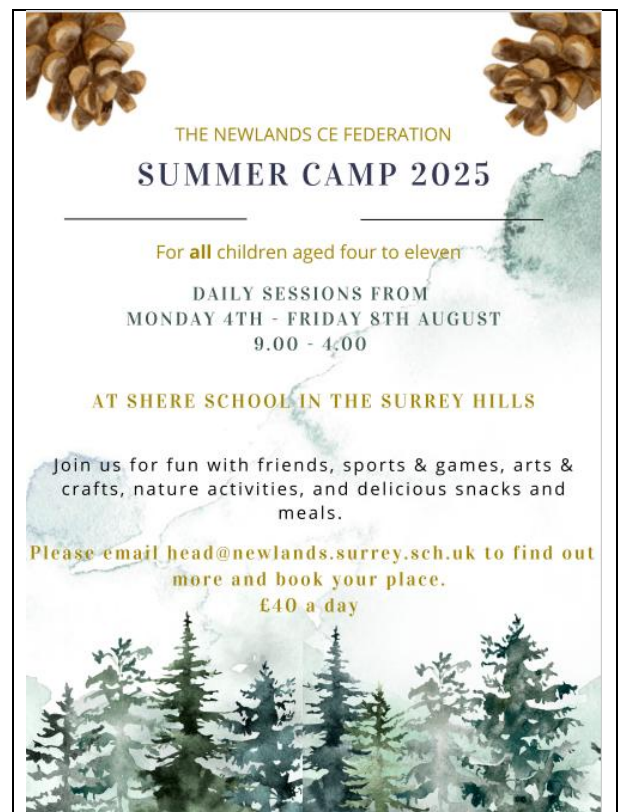

Just a reminder that Key Stage 2 would welcome your donations of biscuits (plain digestives, Nice, gingernut biscuits, cheese biscuits) or breadsticks to fill up hungry tummies at break time. Please hand your donations to your child's class teacher.

Staff Car Park:

The staff car park is very often extremely busy at drop off and particularly at the end of the day. Please can we remind everyone that, unless you have specific permission to use the staff car park, you should use the National Trust car park. If you have permission to use the staff car park at the front of school, please ensure you park considerately. If there are spaces at the far end of the car park, then fill these instead of just pulling in inside the gate. Staff members require access in and out of the car park at all times.

Summer Camp:

Bookings are now open for the Federation's summer holiday camp which will be running again during this year's summer holiday. Please see the flier for more information.

You will note from the phone numbers listed below that the after school club contact number has changed. This follows the recent switch over to the new phone system. Please use 01483 359527 to contact after school clubs from now on.

Would you Rather ...?

Here is this week's conversation starter for a chat with your child ...

**Would you rather work
down in a mine or up high
on a skyscraper?**

Warmest wishes from
Victoria Beattie and Hannah Dawe
Headteacher and Head of School

WHAT TO EXPECT:
At Next Thing Education, our goal is to give children a real creativity and empower young inventors to bring their ideas to life!
Through hands-on coding & STEM experiences, we inspire the next generation of inventors, creators, and tech leaders. We do this through fun, friendly and supportive experiences that will explore STEM through exciting activities and challenges.

"The best camp we've tried! A perfect mix of fun and learning!"

"My child loved every minute - already asking to come back!"

"Fun, engaging, and educational - highly recommend!"
