

NEWLANDS CE SCHOOL FEDERATION

Headteacher: Mr Tom Dell

Dear Families

Re: Free and subsidised milk

Children under the age of five are entitled to a carton of free cow's milk daily at school which we serve with their morning fruit snack (also provided). Clandon School will automatically register your child for free milk unless you opt out via the 'Clandon Pupil Information Form'. In order to complete the registration, we will provide CoolMilk with your child's name and date of birth.

When your child turns five, or if they are already five on the first day of term, you can pay for their milk directly with CoolMilk at a subsidised rate. It is advisable to make these arrangements in advance to avoid a break in the supply. You can do this via CoolMilk's website, www.coolmilk.com. Select "Register your child for milk here" and follow the on-screen instructions.

If your child is supported through the Pupil Premium, the school will fund the cost of their milk after their fifth birthday.

Should you have any queries regarding your child's registration or milk supply, please do not hesitate to contact Cool Milk directly by telephone on 0800 321 3248.

Kind regards
