

BRITISH VALUES AT CLANDON

Making decisions together:

- We have a say in what happens through School Council, Student surveys

Freedom for all:

- We make our own choices and understand the rewards or consequences of our own actions

Understand why rules are important:

- We develop fair rules through our class rules
- We understand that rules at Clandon are developed to help us learn better and keep us safe

Treat others as you would want to be treated:

- We work together to help one another
- We respect each other's physical space
- We respect each other's contributions to discussions
- We support the learning of our peers

We enjoy learning about different faiths and cultures

- We listen carefully to other people's points of view
- We investigate traditions, customs and religious practices and how they strengthen the mixed community/society we live in
- We discuss how diversity makes us what we are today
